Hi Tom,  
Yes, it's OK to get the slides in a little later. I'd like to give us the chance to have a quick call before you deliver them, if we can find a time that works, but I recognize we don't have a lot of time left.

Cathy and Susanna, based on the feedback so far, would a brief coordinating call at 1 PM on Monday or Tuesday work for you both? Or just let me know if you have another preference.

Thank you,  
Suzanne

**Subject:** Coordination Call for GlobalChem Panel

Dear Susanna, Cathy, Steve, and Tom,

Thank you all for agreeing to participate on our GlobalChem Panel on TSCA prioritization and risk evaluation. You should all have received confirmation letters with more details via email from Susan Blanco at ACC. Please let me know if you didn't receive this yet.

I would like to try to set up a brief 30 min. call to coordinate, if possible. I can suggest a few dates/times (times are in ET) to start, but please let me know if none of these work and I can try some other options.

Monday, February 25 – 10 AM or 1:00 PM  
Tuesday, February 26 - 10 AM, 1:00 PM or 4:00 PM  
Wednesday, February 27 - 10 AM, 1:00 PM or 4:00 PM

**Please let me know your preferences by noon on Friday, February 22<sup>nd</sup>.** If we can find a date/time that works, I will send a calendar invite with dial-in information.

Thanks again,  
Suzanne
